However, there was no merger of the services rather a continuation. With this, the issue of underaged employment is cleared as the staff got permanent and pensionable appointment at the age of 24. | In deed, the staff was offered a temporary appointment at the age of 17 in 19/10/1983; he later was offered a permanent and pensionable appointment in 20/10/1990 when he was 24 years old. Hence, this appointment continued up till now and would be viewed as the actual appoint being referred to. With this later argument, the staff could not be tagged underaged employee in that he got this job at age 24. | Cleared   | Cleared  | Staff name to be moved to REGISTER OF CLEARED STAFF and arrears of salaries if any should be paid  |
