Confirmation of TCI results attached. Other documents including NCE have been submitted by staff. Incomplete bank statement submitted.	The Teachers Grade II statement of result, with which staff was employed on GL 04 effective from 1982 is stale. Staff file review confirmed that her DOB on Benue State Primary Teaching Record is 02/11/1962 while her DOB on SDA of 14/03/2016 is 05/05/1964. Staff has been stagnated on GL 14 for 11 years. In addition, available records on the Benue State Primary Teaching Record and staff's application letter dated 28/07/1982 confirmed that she was employed in July 1982. But due to lacuna in governance, staff was offered another appointment letter dated 24/01/1990, which stated that her employment date was with effect from 01/07/1984. This is not proper, hence staff's employment date should be changed to 1982 and should be retired effective 30/06/2017 at the completion of her 35 years in service.	We affirmed that the Teachers Grade II statement of result, with which staff was employed on GL 04 effective from 1982 is stale. Effective date of employment of staff based on records in the file is 01/08/1982; hence staff's new employment letter of 24/01/1990 that stated her appointment date as 01/07/1984 is a fraud and should be disregarded. Staff is due for retirement with effect from 31/07/2017; hence she should be instructed to proceed on her 3 months terminal leave immediately.
