For further action.	The FSLC & WAEC Certificates on which staff employment was premised could not be provided for review. The staff rather presented Testimonial for FSLC dated 10/08/83 and WAEC which she sat for in 1993. She was employed on 1/08/1995 on GL 04 and got confirmed effective 01/08/1997 and promoted to GL 12 on 01/01/2013 with SDC.	It is strange that the staff could not produce WAEC certificate which she claimed to have sat for in 1993 upon which her first appointment was premised. The testimonial provided is not same as Certificate. The testimonial is a mere evidence of attending school. In line with best practice and as contained in the Head of Service circular dated 23/04/2013. The staff ought to have gone back to the Secondary School where she graduated from, to obtain WAEC Master	Lack requisite academic qualification(s) upon which staff employment and promotion (s) was premised	Lack requisite academic qualification(s) upon which staff employment and promotion (s) was premised
