ADDRESS BY HIS EXCELLENCY, GOVERNOR YAHAYA BELLO OF KOGI STATE AT THE PRESENTATION OF THE 2021 BUDGET PROPOSALS TO KOGI STATE HOUSE OF ASSEMBLY ON 1ST DECEMBER, 2020

PROTOCOLS

1. The Rt. Honourable Prince Matthew Kolawole, Speaker, and the Honorable Members of the Kogi State House of Assembly, I am honoured to attend this hallowed Chambers once again to fulfill this most important of duties, to wit, presentation of the 2021 Kogi State Draft Budget.
2. I commend this House for approving the revised 2020-2022 Medium Term Expenditure Frameworks, Fiscal Strategy Paper and the passage of the Revised 2020 Appropriation Bill into law in record time to ameliorate disruptions from the Covid-19 Pandemic to our fiscal positions. Such responsiveness is the hallmark of a Legislature in tune with current affairs and committed to citizens' welfare.
3. The good people of Kogi State have remained patient and cooperative with our efforts to reposition the State for improved sustainability and liveability. Despite the trying times our people have shown great understanding and perseverance. I am therefore grateful to Kogites for their cooperation and support for my administration despite the constraints of governance in the present dispensation.
4. The Honorable members are fully aware that our nation, and indeed the whole world, is faced with precarious economic times due to the Covid-19 Pandemic. Our revenues have significantly plummeted - both from Federal Transfer and Internally Generated sources. This necessitated our coming before the House to revise our 2020 Budget for more realistic outlook. The situation has not improved much as the contraction is still very much around. Thus, the challenge while preparing this budget proposal was how to strike the right balance between realism and optimism in what is still a dire situation.
5. By the grace of God, we were able to take some unpopular but common sense governance steps in response to the pandemic so that our State was largely spared of cases of COVID-19. Till today, Kogi remains one of the state with the lowest incidence according to the official tally. We were however not so lucky with its punishing socio-economic effects. As you know, our economy is still largely dependent on the badly battered oil sector, which is still highly volatile. From 2016, when as an administration we first experienced a recession alongside the rest of the country, till now, the oil sector has remained painfully unpredictable.
6. Like I noted earlier, COVID-19 proved to be overly disruptive and compromised the 2020 Budget assumptions so much that we were compelled to review them downwards. Accordingly, this year's budget was revised downwards from N176 Billion to N122 Billion in our effort to respond proactively to relentlessly dwarfing revenues and COVID-19 induced priorities.
7. As you know, the 2020 Revised Budget was projected on crude oil benchmark of \$57 Dollars per barrel but, as at the end of the 1st Quarter of 2020, the price of crude oil had fallen to \$17/barrel. Thereafter it oscillated between \$20 and \$40/ barrel. All other Budget assumptions showed noticeably discouraging signals too, including exchange rate, inflation rate, GDP growth rate, volume of crude oil sales etc. This development significantly slowed down socio-economic activities in the State and, by implication, our momentum to translate our "Let's Do More" mantra into reality.

8. Mr. Speaker, Honourable Members, as we speak, major economies around the world, Nigeria inclusive, are technically in recession after experiencing 2 consecutive quarters of negative growth while many are projected to follow suit. China is the lone exception after growing by 4.9% in the last quarter.
9. On a happier note, Pfizer and several leading pharmaceutical companies have recently announced successes in their experimental COVID-19 vaccine programmes. Given other credible initiatives towards finding a cure for COVID19, we can cautiously project that many countries, currently distressed by the pandemic will start bouncing back to the path of growth, all things being equal. It is our sacred duty to ensure that not only Nigeria, but our dear Kogi State, is not left behind.
10. It is on this note, Mr. Speaker sir, that we have carefully crafted the 2021 Budget to capture only realizable revenues, enhance Internally Generated Revenue (IGR), aggressively pursue repayment of debt owned us by the Federal Government, reduce significantly the cost of governance and provide more justification for our development partners across the world to contribute to the State economy. Most importantly, we intend to discover and eliminate all avenues for waste of government funds and resources which may have eluded us before now while blocking any remaining leakage in our Internally Generated Revenue portfolio. Common sense demands that we avoid 'white elephant' and ego massaging projects. We will therefore be prioritizing payment of salaries to our workforce and completion of on-going projects. New projects will be introduced to meet only critically important infrastructure needs.
11. Mr. Speaker, Honourable Members, today's presentation is part of the ongoing efforts by our Administration to improve the quality and timeliness of our budgeting processes. We have therefore worked hard to ensure early submission of the 2021-2023 Medium Term Expenditure Frameworks and Fiscal Strategy Paper as well as the 2021 Appropriation Bill. In the same vein, and going by your excellent track records in years past, I have no doubt that this Honourable House

will work assiduously to prompt review and ensure quick passage of this our Draft Appropriation Bill into law.

12. I will now present highlights of the Year 2021 Draft Budget and briefly scan through the Budget Performance for the 2020 Fiscal Year. The Honourable Commissioner for Finance, Budget and Economic Planning will later provide details of the Budget proposals.

2020 BUDGET PERFORMANCE

13. Honourable Members will recall that our 2020 Revised Budget was tagged, 'BUDGET OF PROSPERITY'.
14. The total Revised Budget for year 2020 was N122,970,958,009 for both Recurrent and Capital Expenditures. The revised recurrent revenue for this year was N101,063,669,855, of which we collected N55,128,793,509 as at the end of September, 2020 representing a 54.55% performance.
15. The revised capital receipts for the same period was N21,907,288,154 out of which N11,167,268,798 was realized, representing 50.98% performance as at the end of September, 2020.
16. A total sum of N78,706,230,122 was approved for recurrent expenditure in 2020. However, the sum of N50,236,159,342 was spent as at September, 2020, representing 63.83% performance.
17. The revised capital expenditure for 2020 was N44,264,727,887 out of which the sum of N11,753,646,685 was expended as at September, 2020, representing 26.55% performance. This low performance is attributed to the aforesaid deleterious effects of the COVID-19 Pandemic.

18. 21. Mr. Speaker, Honourable Members, I am glad to inform you that even as we expend money on the long list above, we have been careful to maintain utmost transparency. In fact, we have institutionalised probity via some far-reaching Public Financial Management Reforms.
22. Our efforts in this regard has drawn the attention of both domestic and international accountability bodies and made us the primus inter pares among Nigerian States. Kogi State scored an unprecedented 100% in the 2019 Annual Performance Assessment (APA) under the State Fiscal Transparency, Accountability and Sustainability (SFTAS) program for result. Based on this feat, we were ranked first among the 36 and the FCT. This entitled us to a grant of about \$20 Million US Dollars from the Federal Government through the SFTAS program of the World Bank. As you can imagine, this money is a lifesaver for our economy.
23. Honourable Members of the Kogi State House of Assembly, I hereby present to you, the 2021 Kogi State Budget titled 'BUDGET OF ACCELERATED RECOVERY'.

2021 BUDGET OF ACCELERATED RECOVERY

24. Mr. Speaker, Distinguished Honourable Members, I am of the firm belief that the proposed 2021 Budget is clearly indicative of our fair, sincere and frank assessment of the amount the State can generate on its own, in addition to what it is projected to receive from the Federation Account and other sources. Given the indices earlier espoused herein, this Draft Budget is higher than that of 2020 based on credible and realistic assumptions on the available State Revenue Cash Flow.
25. This Honourable House is aware, and I have mentioned it briefly above, of a number of initiatives designed to enhance resilience and help governments cushion the effects of COVID-19. One of such is a restructured State Fiscal Transparency, Accountability and Sustainability (SFTAS) program, which saw the introduction of new Disbursement Linked Indicators (DLIs).
26. Worthy of mention are key Budget-related DLIs which we won in the 2019 SFTAS assessment, for preparing and implementing a realistic Budget on one hand and for amending the 2020 Budget in line with COVID-19 realities on the other hand. These attracted grants of 1 Million and 5 Million US Dollars respectively to us.
27. In the 2019 SFTAS Assessment Kogi State, which came 2nd after Kaduna in the 2018 surged to first place. I must, on this note, strongly commend our financial team, led by the Honourable Commissioner of Finance, Budget and Economic Planning, Asiwaju Asiru Idris, for their hard work and excellence.
28. Apart from making our mark on the national scene and winning keenly contested financial prizes, we have also developed The Kogi State Covid-19 Action Recovery and Economic Stimulus (CARES) Programme to support our home economy through these trying times. This program was conceived to ameliorate the impact of COVID-19 on the vulnerable citizens and businesses in our society. In our estimation, the CARES program will provide some buffer to the State in 2021 by helping to halt the slide in revenues.
29. In addition to the expected \$20 Million under the SFTAS Program, the State is also expecting the sum \$20 Million US Dollars from the CARES performance based grant over the next 18 to 24 months. As performance based grants, we must demonstrate seriousness and commitment to best practices to be able to access the grants. The CARES program will be largely implemented through the existing World Bank projects in the State. It will support the 3 results areas of micro-projects and vulnerable members of society under result area one, rural agriculture under result area two and Micro, Small and Medium Enterprises (MSMEs) under result area three.

3. Based on the above, we have a total estimated Transfer Surplus of N8,417,252,372 as part of Capital Development Fund.
4. That the estimated Capital Receipt is N48,081,655,172 comprising Internal and External Loans, Aids and Grants. However, if the transfer Surplus of N8,417,252,372 is added to this amount, we shall have N56,498,907,544 as available fund for capital development projects.
5. That the total estimated capital expenditure, therefore, stands at N56,498,907,544
6. That the total estimated revenue (i.e recurrent revenue and capital receipts) stands at N130,546,068,026 for the year 2021 and the total estimated expenditure i.e Recurrent and Capital stands at N130,546,068,026 for the year 2021 making the 2021 Draft Budget a balanced budget.
7. Mr. Speaker, Honourable Members, Distinguished Guests, Ladies and Gentlemen, it is my pleasure to now formally present to this prestigious hallowed Chamber, the year 2021 draft Budget Estimate for deliberation. We request that you approve:
 - a. The total estimated revenue (Recurrent Revenue and Capital Receipts) of N130,546,068,026.
 - b. The total estimated expenditure (Recurrent and Capital) of N130,546,068,026.
 - c. A balanced budget of N130,546,068,026

43. Let me begin to conclude by saying that our current situation as a nation should invite all of us as leaders to rethink the basic suppositions of our relationship with the citizens. While leaders continue to carry on in the belief that they are doing their best, or that citizens should be glad for whatever they can get given the various challenges of leadership, the citizens are becoming increasingly frustrated with a polity that is no longer meeting their basic yearnings and aspirations.
44. The truth is that leadership has a social contract with the led that is in most respects akin to a marriage. It is not enough for one partner to believe that he or she is doing their best if the other wets their bed every night with tears and recriminations from an unending barrage of painful experiences and deprivations.
45. Recent upheavals in the country, including the lamentable fallouts of the #EndSARS protests should tell us that our best intentions as leaders will come to naught if we do not immediately discover, 'magically' if there is no other way to it, how to resolve issues of human rights, internal security, food security and economic empowerment.
46. We have tried to craft a budget for next year with which we will urgently begin to address these pressing existential issues at state level while hoping that similar urgencies will be activated at all other levels across the country so we are not unwitting victims, consumed by the generalised disenchantment currently spreading across the land instead of any sin of our own.
47. I wish you all a very Merry Christmas and a peaceful, prosperous and fulfilling New Year.
48. God Bless Kogi State
49. God Bless the Federal Republic of Nigeria
50. I thank you all.
