

KOGI STATE GOVERNMENT OF NIGERIA
MINISTRY OF HEALTH
OFFICE OF THE HONOURABLE COMMISSIONER

Date: 13th March 2025

Internal Memo

To: All Heads of Departments, Agencies, Boards and Commissions under the Kogi State Health Sector.

Subject: Adoption of Comprehensive Guidelines for Primary Healthcare Budget and Work Planning in Kogi State.

1. In line with the World Bank HOPE-Governance requirements, Kogi State has approved new guidelines for primary healthcare budget and work planning, effective immediately across all health sector Departments, Agencies, and Boards.

2. The guidelines were developed by the Ministry of Health and the Ministry of Finance, Budget and Economic Planning to meet both sectoral and fiscal priorities. These guidelines streamline budgeting and consolidate primary healthcare workplans, helping MDAs improve efficiency and maximize healthcare outcomes.

3. Consequently, all health sector MDAs must adopt these guidelines for primary healthcare budgeting and workplanning going forward, to ensure systematic and result-oriented resource allocation to primary healthcare in Kogi State.

4. For questions or further support, contact the HOPE-PHC Desk Officer at the Ministry of Health or the Kogi State Primary Healthcare Development Agency

5. Thank you for your usual cooperation.
